

SafeBeat

Thank you for registering your child, Mock Child #3, for a heart screening. Please see the information below.

D1 Sports Training Demo Heart Screening

You are receiving this email because you registered your child for the upcoming heart screening

The screening address is Franklin, TN.

Your appointment is scheduled for 07/30/2018 at 1:25 PM. Walk-ins cannot be accommodated.

If you wish to cancel or reschedule your appointment [click here.](#)

As a reminder, this screening is not intended to replace a child's standard physical but rather be in addition to. This screening is intended for ALL active students whether or not they have received a standard physical in the past. If the student is unable keep their appointment, please use the link above to change or cancel their appointment so that time slot can be used by another student.

The screening process should take less than 20 minutes. Your child will have their height/weight checked, have bilateral blood pressures taken, and receive an EKG exam. (The EKG exam looks at the electrical activity of your child's heart.) If follow-up or further testing is deemed necessary for your child by the reading cardiologist, recommendations and instructions to do so will be provided within the results emailed to you.

NOTE: Screening results for your child will NOT be given on-site therefore Parents/Guardians do NOT need to attend the screening.

You will be emailed formal screening results within seven business days. In the event that the screening shows an imminent risk to your child, you would be advised within 48 hours. We keep all results confidential. When you receive an email of your child's screening results, please promptly review and follow any instructions that may be provided within.

Thank you for allowing your child to participate in this preventative heart screening.

If you have any questions about the preventative heart screening, feel free to email us at info@safebeat.org
